duced our prices, but still maintain St. Lewis Newspaper Man Goes to Island to Construct Zeppelin Destroyers.

EXPECT RAID IN NEW YEAR

New York, Dec. 15. England, Inspired by fear of a Zeppelin raid, has I have moved my real estate office called upon a former 8t Louisan to from 800 Campbell Bidg, to 402 Baum guard the "tight little islam?" against possible invasion from the air. This man is Thomas R. MacMethen, a former St. Louis newspaper man, who, in the days when the Wright brothers were experimenting with flying machines, began to write on the future of flying.

For years MacMechen has been forecasting the future, and be has come to be known as the best authority on

MacMechen has sailed for England with an ironclad contract with a group Shadowing, Locating and Securing of patriotic Englishmen, who have evidence, 128 West 3rd St. Wal. 7050, piedged themselves to spend several millions to down the Zeppelins. Mac-All kinds of new and second hand any man outside of the German aerolumber, doors, windows and bricks at nautic corps. For years he had a Gervery low prices. Okiahoma Wreck man mechanical engineer as an advis-ing Co., \$16 S. Broadway. Photos S. and through him he learned many Zeppelin secrets.

About a year ago he went to Washington to try and interest our war de partment in his secrets. He found Washington unenthusinstic on the sub-

However, his name reached England and two weeks ago there arrived in New York a wealthy Londoner, who introduced himself as the representative of a group of patriotic Englishmen, who, fully aroused at the possibility of a Zeppelin invasion of Eng land, had grouped together to ways and means to prevent such a catastrophe.

England's Savier. MacMechen finally consented to act as savior. He has taken with him to England two mechanical engineers who are thoroughly familiar with Zeppelins, and near London they will begin the construction immediately of Zen-pelin destroyers. These destroyers will not be as big air craft as the Zeppelins. but they will have far greater speed and will carry guns of sufficient power to destroy the German terrors. MacMachen and those associated with him believe that a Zeppetin invasion of England will be attempted about the first of the year. They will work day and night to have at least two Zeupelin destroyers perfected by that time. They are afraid, however, that the time is too short. The desfrovers will have a speed of almost

ROCK ISTAND

ROC

Villa, the Actual Ruler of Mexico.

smoked-Oh, Lindsay, how thankfu The world waited to learn what General Pancho Villa, ex-bandit, would do when he reached Mexico City at the head of an army sufficient to hold the capital. It was feared he might announce himself as president and immediately overthrow Acting President Gutierrez. But he did nothing of the kind. Instead he lived up to the character he has assumed for more than a year, the character of patriot and leader, when he issued this statement:
"My only mission is to restore order in Mexico, and not to take personal

ing as the subordinate of Provisional President Gutlerrez and the national convention. "The provisional president is now the supreme power in Mexico, and I am merely acting as field commander of the armies. All foreigners and foreign

venge on any one. I promise that order will be restored at once. I am act-

property will be protected." Seldom before in the history of Mexico or any Latin American country had a conqueror been so modest. He might have taken the government in his hands without the loss of a man. Yet the former bandit held good to the promise he

Old Houses and New
